

HIGHLANDS & ISLANDS OF SCOTLAND ENERGY INDUSTRY SUPPLY CHAIN

The listing of companies comprising this supply chain document represents those companies and organisations within the Highlands and Islands that are actively involved, or have expressed an interest in becoming involved, in the area's energy industry. The energy industry is being defined as oil and gas, renewables and nuclear decommissioning.

This supply chain information is available as a free PDF to download from www.hi-energy.org.uk/explore

To enquire about the listing please contact HIE's Energy Team on telephone: 01463 244 273 or email: renewables@hient.co.uk

November 2011

Highlands and Islands of Scotland Energy Industry Supply Chain					
Company	Location	Activity	Category	Energy Sector	Web Address
ABC Office Needs	Dingwall, Ross-shire	Sales of office supplies, furniture, machines and sundries. Computer supplies and peripherals. Machine maintenance and servicing.	Services	Oil & gas; on & offshore wind; biomass; wave; tidal; hydro; solar; nuclear; geothermal; hydrogen/fuel cells	www.abcofficeneeds.co.uk
ABSL Power Solutions	Thurso, Caithness	Battery design and manufacture using Lithium-ion materials technology in addition to design of control electronics and SMART communications, assembly of battery packs, design and assembly of SMART charging systems. Parent company to AGM Batteries below.	R&D; Manufacturing	Oil & gas; on & offshore wind; wave; tidal	www.abslpower.com
AES Ltd	Forres, Moray	Design, manufacture and installation of solar thermal collection systems.	Manufacturing	Solar	www.aessolar.co.uk
A & F Services	Inverness	Electrical contractor	Services	Onshore wind; geothermal	Not available
A. F. Cruden Associates	Inverness	Consulting, civil, structural and environmental engineers providing a range of services such as geotechnical and subsoil investigation, structural surveys, water and sewerage schemes, roads and infrastructure projects.	Services; Engineering and fabrication	Onshore wind; geothermal; biomass; hydro	www.afcrudenassociates.co.uk
AGM Batteries Limited	Thurso, Caithness	Manufacture of high-performance lithium-ion cells.	R&D; Manufacturing	Oil & gas; on & offshore wind; wave; tidal	www.agmbatteries.com

Highlands and Islands of Scotland Energy Industry Supply Chain					
Company	Location	Activity	Category	Energy Sector	Web Address
A. H. Smith	Inverness	Electrical contractor participating in the construction, installation, commissioning, operations and maintenance aspects of projects.	Services	Solar; onshore wind; geothermal; biomass	Not available
AJ Engineering & Construction Services Ltd	Forres, Moray	Fabricator and installer of mild steel & aluminium fabrications, generally structural steelwork & metalwork. Carry-out on-site maintenance work at production facilities.	Manufacturing	Oil & gas; on & offshore wind	www.ajengineering.co.uk
A. J. Repairs & Services	Vidlin, Shetland	Operations and maintenance engineers.	Services	Biomass	Not available
Alan Matheson	Benbecula, Outer Hebrides	Electrician	Services	Onshore wind; geothermal	Not available
Alasdair Grigor	Rosemarkie, Ross-shire	General and agricultural engineers and blacksmiths.	Manufacturing; Services	Biomass	Not available
Alasdair MacAskill	Carbost, Isle of Skye	Agricultural plant hire.	Services	Biomass	Not available
Alba Renewables Ltd	Bettyhill, Sutherland	Handle all wind energy projects from small domestic off-grid or grid connected installations to multi-generator large scale projects. Site surveys and assessment, installation and maintenance.	Services	Onshore wind	www.albawind.com
Alchemy Plus Business Solutions	Dingwall, Ross-shire	Microsoft gold certified partner providing complete IT solutions for business. IT systems, network management services and software development. Business continuity and disaster recovery services.	Services	Oil & gas; on & offshore wind; solar; biomass; wave; tidal; hydro; solar; geothermal; hydrogen/fuel cells	www.alchemypius.com
Alex Murray Construction Ltd	Stornoway, Isle of Lewis	Building and civil engineers.	Engineering & fabrication; Services	Onshore wind; wave; tidal; geothermal	www.alexmurrayconstruction.co.uk
Alexander MacKay			Manufacturing; Services	Biomass	Not available

Highlands and Islands of Scotland Energy Industry Supply Chain					
Company	Location	Activity	Category	Energy Sector	Web Address
ALIenergy	Oban, Argyll	Agency promoting better use of energy and local energy resources. Activities include advice on energy efficiency and renewable energy; developing wood fuel supply chains and wood fuel boiler installations; delivering training to provide new energy related skills; deliver contracts for a variety of agencies and NGOs. Currently investigating the feasibility of establishing a wind turbine just outside of Oban -a 40m high wind test mast with a data logger has been in place for just over a year.	Services; Learning infrastructure; Test facility	Onshore wind; hydro; biomass; solar; biofuels; geothermal	www.alienergy.org.uk
Alistair Young Engineering Ltd	Forres, Moray	Operations and maintenance agricultural engineers.	Manufacturing; Services	Biomass	www.young-engineering.co.uk
Allan W. J. Wilson Ltd	Tain, Ross-shire	Agricultural and drainage contractors.	Services	Onshore wind; biomass; geothermal	Not available
Allen, Gordon & Co	Inverness	Consulting civil and structural engineers, land surveyors and planning supervisors.	Services	Hydro; onshore wind; geothermal	www.allengordon.co.uk
Alligin Willows	Inveralligin, Ross-shire	Growing, harvesting and supplying willow for biomass applications.	Manufacturing; Services	Biomass	www.alliginwillows.co.uk
Altyre Estate	Forres, Moray	Forestry	Manufacturing	Biomass	Not available
A. M. Dunbar	Brora, Sutherland	Electrical contractor	Services	Onshore wind; geothermal	Not available
A. M. Gardiner	Inverness	Electrical Contractor	Services	Onshore wind; geothermal; hydro	Not available
A. Mirrlees	Cairndow, Argyll	Electrical Contractor	Services	Onshore wind; geothermal; hydro	Not available
A. M. MacDonald (Electrical Engineers) Ltd	Fort William, Lochaber	Electrical contractor	Services	Onshore wind; hydro; geothermal	Not available

Highlands and Islands of Scotland Energy Industry Supply Chain					
Company	Location	Activity	Category	Energy Sector	Web Address
AMEC	Dounreay, Caithness	Consultancy, engineering & project management services to the world's energy, power & process industries	Services; Engineering and fabrication	Oil & gas; on & offshore wind; solar; biomass; nuclear	www.amec.com
AMP Electrical Services	Oban, Argyll	Industrial, commercial and agricultural electrical engineers	Services	Onshore wind; hydro; solar	Not available
An Cuilinn Consultancy	Stromeferry, Ross-shire	Building services engineering specialising in mechanical and electrical work with particular emphasis on under-floor heating and electronic control systems, and expertise in heat pumps and solar energy.	Services	Solar; geothermal	Not available
Andrew Currie Naturalist	Broadford, Isle of Skye	Wildlife consultant	Services	Onshore wind; wave; tidal; geothermal; biomass; solar; hydro	Not available
Andrew Gammie & Sons	Muir of Ord, Ross-shire	Agricultural contractor	Services	Biomass	Not available
Andrew H Wilson Electrical Ltd	Kirkwall, Orkney	Electrical contractors, building maintenance and plumbing.	Services	Onshore wind; solar; geothermal; biomass	Not available
Andrew Macphee Ltd	Dingwall, Ross-shire	Building estimators	Services	Hydro; biomass	Not available
Andrew Sinclair	Kirkwall, Orkney	Civil engineering works contractor encompassing activities such as water and sewerage installations, underground cable and ducted installations, building construction and demolition; road and airfield construction.	Services; Engineering and fabrication	Onshore wind; hydro; biomass	www.andrew-sinclair.co.uk
Angus D McDowell	Stornoway, Isle of Lewis	Civil engineering contractor	Services	Onshore wind; geothermal; biomass;	Not available

Highlands and Islands of Scotland Energy Industry Supply Chain					
Company	Location	Activity	Category	Energy Sector	Web Address
Angus Morrison Electrical Contractor	Stornoway, Isle of Lewis	Capabilities include heating and ventilation systems; installation and maintenance of emergency lighting systems; fire detection systems; maintenance, testing and inspection of electrical equipment; hazardous areas working.	Services	Geothermal; onshore wind	www.angusmorrisonelectricians.co.uk
Angus Raeburn Electrical	Isle of Arran, Argyll	Electrical contractor	Services	Onshore wind; geothermal; solar	Not available
Antara Consulting	Strathpeffer, Ross-shire	Provides a range of business support services -research and evaluation; consultation; facilitation; business process analysis and re-engineering; change management organisational development; training; and conference and event management.	Services	Onshore wind; hydro; biomass; geothermal	www.antaraconsulting.co.uk
Aptus Personnel Ltd	Inverness	Recruitment agency with coverage including industrial, commercial, construction, and power and engineering functions. Also provide outsourcing capability such as managing payroll operations.	Services	Oil and gas; nuclear	www.apтусpersonnel.com
Aquatera	Stromness, Orkney	Consultancy providing environmental, sustainability and operations support, delivered locally, nationally and internationally.	Services	Oil & gas; wave; tidal; on & offshore wind	www.aquatera.co.uk
Arch Henderson	Lerwick, Shetland	Civil and structural engineering consultancy. Architects and planning supervisors. Geotechnical and environmental services.	Services; Engineering and fabrication	On and offshore wind; wave; tidal; hydro; solar; nuclear	www.arch-henderson.co.uk
Archibald Smith	Campbeltown, Argyll	Electrical contractor	Services	Geothermal; solar; onshore wind	Not available
Areva Risk Management Consulting Ltd	Thurso, Caithness	Specialises in the assessment and management of safety, environmental and commercial risks to industries and sectors involved in high hazard operations. Offices in various parts of UK.	Services	Oil & gas; nuclear decommissioning	www.rmconsultants.co.uk

Highlands and Islands of Scotland Energy Industry Supply Chain					
Company	Location	Activity	Category	Energy Sector	Web Address
Argyll Agricultural Engineers	Oban, Argyll	Repair and maintenance of plant and equipment in agriculture and marine sectors.	Services	Biomass	www.argyllagricultural.com
Argyll Woodlanders	Ardfern, Argyll	Forestry consultants.	Services	Biomass	Not available
Argyll Workboats	Bute, Argyll	Workboats supplier to the energy industry.	Services	Oil & gas; wave; tidal; offshore wind	www.argyllworkboats.co.uk
Arran Energy	Blackwaterfoot, Isle of Arran	Marketing of renewable energies and fuels to local businesses and households. Sales installation and service of biomass boilers and heating systems. Biomass feasibility studies, grant aid coordination and project management.	Services	Biomass; Air source	www.arranenergy.co.uk
Arun Energy Ltd	Inverness	Energy conservation consultants providing advice to home owners, architects, builders, housing associations and local authorities. Provide quality assurance services to oil industry.	Services	Solar; biofuels; geothermal; oil & gas	www.arun-energy.co.uk
A. S. MacFarlane	Stornoway, Isle of Lewis	Electrical contractor	Services	Onshore wind; geothermal	Not available
ASQ	Brodick, Isle of Arran	Engineering consultancy	Services	Onshore wind; geothermal; hydro; biomass	Not available
A. Stuart	Inverness	Electrical Contractor	Services	Hydro; onshore wind; geothermal	Not available
Atmos Consulting	Inverness	Environmental and planning consultancy specialising in services to the renewables sector	Services	On & offshore wind; wave; tidal	www.atmosconsulting.com
Avayl Engineering Consultancy	Inverness	Provides range of services including market analysis and modelling, economic impact assessments, supply chain analysis, strategy development & implementation, and workshop facilitation.	Services; Engineering and fabrication	Wind; wave; tidal; biomass; oil & gas	www.avayl.co.uk

Highlands and Islands of Scotland Energy Industry Supply Chain					
Company	Location	Activity	Category	Energy Sector	Web Address
A & W Sinclair Ltd	John O'Groats, Caithness	Civil engineering contractor handling drainage, sewer extensions, concrete shuttering, coastal protection, building works, road surfacing, site clearance, crushing/recycling, demolition.	Manufacturing; Services	Onshore wind; hydro; geothermal.	www.aw-sinclair.co.uk
AWS Ocean Energy Ltd	Inverness	Provision of enabling technologies & related services to the marine energy sector.	Technology development; Services	Wave; tidal	www.awsocan.com
Badenoch Land Management	Kingussie, Badenoch	Forestry consultants, managers and contractors. Developers of computer programs for forestry, land management and GIS applications. Wood fuel production.	Manufacturing; Services	Biomass	www.alvie-estate.co.uk
Baillie Brothers Contractors Ltd	Elgin, Moray	Road haulage services and vehicle servicing and accident repair centre	Services	Biomass; onshore wind; oil & gas	www.bailliebrothers.co.uk
Balcas Ltd	Invergordon, Ross-shire	Production of wood pellets from sawdust and other waste wood fibre. The CHP plant will generate 5MW of electricity to the grid.	Manufacturing; Energy production	Biomass	www.brites.eu
Banff and Buchan College	Fraserburgh, Aberdeenshire	Further education college offer range. Their range of courses spans electrical, electronic and mechanical engineering; welding; business management and accounting; and computing and IT.	Learning infrastructure	Oil & gas; on & offshore wind; biomass; wave; tidal; hydro; geothermal; solar	www.banff-buchan.ac.uk
Bannerman Company Ltd	Tain, Ross-shire	Haulage, warehousing, tree bark processing, craneage and stevedoring.	Services; Manufacturing	Biomass; on & offshore wind	www.bannerman-seafoods.co.uk
Barclays Bank	Inverness	Support for local businesses to achieve their objectives through a range of funding solutions.	Services	Biomass	www.barclays.com
Bardon Aggregates	Stornoway, Isle of Lewis	Supplier of construction aggregates, asphalt & ready-mix products. Carries out all types & sizes of civil engineering projects. Also operates a quarry at Beauly, Inverness-shire.	Manufacturing; Services	Oil & gas; on & offshore wind; solar; biomass; wave; tidal; hydro; geothermal;	www.bardon-aggregates.com
Barton Electrical Services	Nairn, Inverness-shire	Electrical contractor conducting installation and maintenance services	Services	Onshore wind; biomass; geothermal; solar	www.bartonelectrical.co.uk

Highlands and Islands of Scotland Energy Industry Supply Chain					
Company	Location	Activity	Category	Energy Sector	Web Address
Begetube (UK) Ltd	Inverness	Design and supply of under-floor heating systems. Training of installers.	R&D; Services; Learning infrastructure	Oil & gas; onshore wind; solar; biomass; solar	www.begetube.co.uk
Bennex Group	Forres, Moray	Supplier of services and products to the subsea oil and gas industry. Provides control and distribution systems, seismic systems and camera systems.	Services	Offshore wind; wave; tidal	www.bennex.com
Bentley Electrical Installations Ltd	Dingwall, Ross-shire	Electrical contractors	Services	Onshore wind; biomass; solar; geothermal	Not available
Bichard Electrical Services	Oban, Argyll	Approved certifiers of construction and carry out wiring inspections for insurance companies, landlords and other businesses. Cover lifts, CCTV, LAN, intruder alarm and fire systems.	Services	Onshore wind; hydro; geothermal; biomass; solar	www.bichardelectrical.co.uk
Big Ord Drainage & Pipe Company	Muir of Ord, Ross-shire	Utilities contractors supplying all types of Gabions geotextiles/plastic pipes; water drainage; steel pipes; sewer pipes/castings; valves; concrete pipes; water fittings; tanks sewerage treatment plants.	Services	Hydro; onshore wind; geothermal; biomass	www.leiths-group.co.uk
Bio Forest Consultancy	Boat of Garten, Strathspey	Environmental consultants	Services	Biomass	Not available
Black Isle Civil Engineering Ltd	Muir of Ord; Ross-shire	General construction & civil engineering works including earthworks & quarrying	Manufacturing; Services	Onshore wind; hydro; geothermal; biomass	Not available
Black Isle Landscaping	Munlochy, Ross-shire	Landscape contractors incorporating tree planting and woodland management.	Services	Biomass	Not available
B. Leith Electrical Services	Thurso, Caithness	Electrical installation and maintenance.	Services	Geothermal; onshore wind	Not available
Blue Sky Communications	Dunvegan, Isle of Skye	Marketing, PR and communication services	Services	All energy sectors	www.blue-skye.co.uk
Böd Ayre Products Limited	Vidlin, Shetland	Seaweed processing	Manufacturing	Bioenergy	www.seaweedproducts.co.uk
Bowman Skip Hire	Fort William, Lochaber	Waste management services. Fully licensed waste landfill site (including asbestos) with permission until 2040. Recycling facility and plant and lorry hire.	Services	Onshore wind; biomass; geothermal; hydro	www.bowmanskiphire.co.uk

Highlands and Islands of Scotland Energy Industry Supply Chain					
Company	Location	Activity	Category	Energy Sector	Web Address
Bremner and Linklater	Wick, Caithness	Electrical contractor	Services	Onshore wind; geothermal	Not available
Brown Electrical	Grantown-on-Spey, Strathspey	Electrical contractor	Services	Onshore wind; biomass geothermal	http://brownelectrical.biz/
Brown	Fochabers,	Stainless steel fabrication and welding. Pipework contractors in stainless steel, mild steel, cast iron, aluminium; copper and plastic.	Engineering	Oil & gas; on &	www.browngineeringfochabers.co.uk
Engineering (Fochabers) Ltd	Moray		and fabrication; Services	offshore wind; wave; tidal; biomass; hydro; geothermal	
Bruce Millar	Oban, Argyll	Electrical contractor	Services	Onshore wind; biomass; geothermal; hydro	Not available
Bryan J. Rendall (Electrical) Ltd	Kirkwall, Orkney	High voltage electrical engineer. Wind turbine product testing and R&D. Design, supply, construction, commissioning, operation and maintenance of energy generating systems. High voltage cable design, load flow studies. Cable supply and laying.	R&D; Manufacturing; Services; Test facility	On & offshore wind; wave; tidal; hydro	www.bjre.co.uk
BSW Timber Plc	Fort William, Lochaber	Sawmilling	Manufacturing	Biomass	www.bsw.co.uk
Buckeridge Installations	Rothsay, Isle of Bute	Electrical contractor	Services	Onshore wind; solar; geothermal	Not available
Buckie Shipyard Ltd	Buckie, Moray	Structural fabrication and repair carried out in carbon and stainless steels, aluminium, wood, GRP, and other composite materials. Full engineering and workshop facilities available for the installation, maintenance and repair of machinery plus electrical and shafting installations.	Engineering and fabrication; Services	Oil & gas; offshore wind; wave; tidal	www.buckieshipyard.com

Highlands and Islands of Scotland Energy Industry Supply Chain					
Company	Location	Activity	Category	Energy Sector	Web Address
Building Research Establishment	Inverness	Part of a UK-wide network. Provide a range of consultancy, testing, certification, commissioned research and training services covering all aspects of the built environment and associated industries. For example predicting the energy performance of buildings, product testing, advice on selection of low carbon materials and components, training for energy assessors and operating an Innovation Park (in England) for the full-scale demonstration of low carbon design and construction.	R&D; Learning infrastructure; Test facility; Services	Solar; onshore wind; geothermal; biomass	www.bre.co.uk
Burgh Electrics	Lochgilphead, Argyll	Electrical contractor	Services	Onshore wind; biomass; geothermal; hydro	Not available
Burntisland Fabrications Ltd	Stornoway, Isle of Lewis	Fabrication of structures for the oil and gas industries and devices for the renewables sector.	Engineering and fabrication	Oil & gas; on & offshore wind; wave; tidal	www.bifab.co.uk
C3 Global Ltd	Dingwall, Ross-shire	Development and application of performance enhancement tools to aid the safe, continuous and profitable operation of assets.	Services	Oil & gas	www.c3global.com
Caberfeidh Electrics	Portree, Isle of Skye	Electrical contractor	Services	Onshore wind; geothermal; solar	Not available
Caithness Chamber of Commerce	Thurso, Caithness	Business membership organisation campaigning on behalf of business & hosting events to inform & enable businesses for a sustainable, successful and diverse economy.	Infrastructure; Services	Oil & gas; on & offshore wind; wave; tidal; nuclear; hydro; solar; hydrogen/fuel cells; geothermal	www.caithnesschamber.com
Cairn Dhu Apartments	Stornoway, Isle of Lewis	4-star serviced accommodation available on a per night basis	Services	On & offshore wind; wave; tidal	www.lewisapartments.co.uk

Highlands and Islands of Scotland Energy Industry Supply Chain					
Company	Location	Activity	Category	Energy Sector	Web Address
Caithness Renewables	Thurso, Caithness	Specialising in marine energy to connect developers with the facilities, suppliers and supply chain of the Pentland Firth area. Consultancy services include sea bed lease applications, scoping, funding applications, feasibility, grid connection applications and other tasks that support project development.	Services	Wave; tidal	www.caithnessrenewables.co.uk
Calder Engineering Ltd	Thurso, Caithness	Manufacture and fabrication of bespoke engineering projects such as fabricating structures, machining components, manufacture of ventilation systems, and manufacture of fitted-out service and control cabins and workshops for on and offshore industries.	Manufacturing; Engineering and fabrication; Services	Oil & gas; nuclear; on & offshore wind	www.calderengineering.co.uk
Caledonian Partnership	Munlochy, Ross-shire	Focused on the restoration of Scotland's semi-natural forest resource.	Services	Biomass	www.caledonian-partnership.org.uk
Campbell & McHardy	Elgin, Moray	Electrical Contractor	Services	Onshore wind; biomass; solar; geothermal	Not available
carisma rct Ltd	Dingwall, Ross-shire	Business strategy and management consultants encompassing a business research institute to advance business management knowledge. Consultancy includes designing processes and systems, optimising services and infrastructures, and placing the customer at the core of business strategies.	Services; R&D	Onshore wind; wave; tidal; biomass; biofuels; energy from waste	www.carismarct.com
Caroline Soltau Design	Inverness	Graphic design consultant	Services	Wave; oil & gas; tidal; hydro; geothermal; on & offshore wind; biomass; solar; nuclear; hydrogen	www.carolinesoltau.co.uk

Company	Location	Activity	Category	Energy Sector	Web Address
Casey Construction Ltd	Kirkwall, Orkney	Civil engineering contractor	Engineering and fabrication	Onshore wind; biomass	www.caseyconstruction.co.cc/index.html
Cawdor Forestry	Cawdor, Inverness-shire	Resource management company specialising in long-term forest planning and management.	Services	Biomass	www.cawdorforestry.com
C. D. Campbell Marine Contracts	Isle of Jura, Argyll	Marine services operation encapsulating project management and consultation, marine surveys and monitoring, and marine construction and maintenance.	Services; Engineering and fabrication	Offshore wind; wave; tidal; hydro	www.marinecontracts.co.uk
CDMM (UK) Limited	Inverness	Provide range of services including the design, supervision and commissioning of all aspects of mechanical and electrical engineering services; Clerk of Works service; low carbon consultancy and CDM co-ordinator services.	Services; Engineering and fabrication	Wind; wave; tidal; hydro; biomass; solar; biofuels; energy from waste; geothermal; hydrogen; energy storage	www.cdmmuk.co.uk
Chain Surveyors Ltd	Evanton, Ross-shire	Inspection and repair of rig anchor chain and ancillary services	Services	Oil & gas; offshore wind; wave; tidal	Not available
Charles Angus	Thurso, Caithness	Agricultural engineers	Services	Biomass	Not available
Chep UK Ltd	Kinlochbervie, Sutherland	Provide materials handling equipment	Manufacturing; Services	Biomass	Not available
Chillwind Ltd	Glenelg, Lochalsh	Wind resource measurement company. Manufacture guyed meteorological masts 10m to 90m.	Manufacturing; Services	On & offshore wind	www.chillwind.co.uk
Chisholm & Chisholm	Invergordon, Ross-shire	Chartered building surveyors	Services	Biomass; hydro; onshore wind	Not available
Chris Marsh	Sleat, Isle of Skye	Forestry consultant	Services	Biomass	Not available
Christies of Fochabers	Fochabers, Moray	Forestry	Services	Biomass	www.christiesoffochabers.com
CLYDEBoyd Fort William Ltd	Corpach, Lochaber	Handles forest products, dry bulk and project cargoes with mobile, general purpose and logging equipment, plus dedicated storage areas.	Infrastructure; Services; Ports and harbours	Biomass	www.clydeport.co.uk

Highlands and Islands of Scotland Energy Industry Supply Chain					
Company	Location	Activity	Category	Energy Sector	Web Address
C. MacLeod Electrical Services	Scalpay, Outer Hebrides	Electrical contractor	Services	Onshore wind; geothermal	Not available
Combustion Energy & Steam Specialists Ltd	Stromness, Orkney	Power equipment brokers operating internationally with services including inspection, due diligence and market evaluations of equipment and the management of equipment decommissioning, dismantling, transshipment and installation.	Services	Oil & gas; onshore wind; hydro	www.cess.co.uk
Comhairle Nan Eilean Siar	Stornoway, Isle of Lewis	The Local Authority for the Outer Hebrides, delivering a full range of services to Hebridean communities	Infrastructure; Services	Oil & gas; on & offshore wind; wave; tidal; solar; hydrogen fuel cells; geothermal	www.cne-siar.gov.uk
Commissioning Solutions Scotland Limited	Inverness	Specialise in mechanical & electrical commissioning of water treatment plants. Also supply water quality instruments, pumping systems' control panels & calibration pieces. Manufacture industrial booster pump sets. Design and manufacture bespoke control units.	Manufacturing; Engineering and fabrication; Services	On & offshore wind; wave; tidal; hydro	www.comsolscot.co.uk
Community Energy Scotland	Dingwall, Ross-shire	An independent Scottish Charity, actively supporting and funding community groups throughout Scotland to develop sustainable energy projects. Deliver across Scotland the Scottish Government's <i>Community and Renewable Energy Scheme</i> . Advice on project feasibility, design, installation and operation, and aftercare to ensure installations work well.	Services; Learning infrastructure	Onshore wind; solar; geothermal; biomass	www.communityenergyscotland.org.uk
Conner Electrical	Dunoon, Argyll	Electrical contractor	Services	Onshore wind; geothermal; solar; hydro	Not available

Highlands and Islands of Scotland Energy Industry Supply Chain					
Company	Location	Activity	Category	Energy Sector	Web Address
Contec Design Services Ltd	Thurso, Caithness	Electrical engineers providing a range of EC&I design and manufacturing services incorporating engineering, technical consultancy, design and build, risk analysis and reliability engineering, and energy management systems.	Services	On & offshore wind; wave; tidal; hydro; biomass, solar; biofuels; geothermal; energy storage; nuclear	Not available
Corrie Construction Ltd	Fort William, Lochaber	Civil engineering construction and plant hire company	Engineering and fabrication; Services	Biomass; hydro; oil & gas	www.corrieconstruction.com
Cory Brothers Shipping Agency	Invergordon, Ross-shire	Provides support services of all kinds to the shipping industry	Services	Oil & gas; on & offshore wind; tidal biomass; wave;	www.cory.co.uk
Craignish Electrical Services Ltd	Kilmelford, Argyll	Electrical contractor	Services	Onshore wind; solar; geothermal; hydro	Not available
C & R Diving Ltd	Mossbank, Shetland	Commercial dive company supplying above and below the water line repair service, marine salvage and ROV services.	Services	Oil & gas; offshore wind; wave; tidal	http://candrdiving.auto.officelive.com
C. Ris Energy	Westray, Orkney	Engineering consultancy focusing on renewables	Engineering and fabrication; Services	On and offshore wind; wave; tidal; hydro; biomass; solar; biofuels; energy from waste, geothermal; hydrogen; energy storage	http://crisenergy.co.uk
Crofton Graphics	Contin, Ross-shire	3D graphics and animation designer.	Services	On & offshore wind; wave; tidal; hydro; biomass; solar; biofuels; energy from waste; oil & gas; geothermal; hydrogen; energy storage	www.croftongraphics.co.uk

Highlands and Islands of Scotland Energy Industry Supply Chain					
Company	Location	Activity	Category	Energy Sector	Web Address
Orkney Builders (Construction) Ltd	Kirkwall, Orkney	Construction company conducting activities such as site establishment, civil works, enabling works and the construction of the main foundations for wind farms.	Engineering and fabrication; Services	Onshore wind; hydro	www.orkneybuilders.com
Orkney Islands Council Marine Services	Scapa, Orkney	The competent harbour authority responsible for the safe and efficient operation of 29 ports and harbours throughout the Orkney Islands, including the oil port of Scapa Flow serving Flotta Oil Terminal. Includes provision of towage services.	Infrastructure; Services; Ports and harbours	Oil & gas; wave; tidal; on & offshore wind.	www.orkneyharbours.com
Orkney Renewable Energy Forum	Stromness, Orkney	Represents private and public sector organisations and individuals. Focus is the development of Orkney renewables potential for the benefit of the islands, whilst protecting the local communities and the environment.	Infrastructure; Services	Wave; tidal; on & offshore wind	www.oref.co.uk
Orkney Sustainable Energy Ltd	Stromness, Orkney	Renewable energy project design company. Site and operational management of wind energy projects. Involved in a demonstration project to illustrate the value of wood-fired boilers as a source of heat.	Services; Learning infrastructure	Onshore wind; hydrogen; biomass	www.orkneywind.co.uk
Out of Nowhere	Findhorn, Moray	Designers of reciprocal frame ecological buildings and approved installers for Warmcel insulation products.	Services	Solar; biomass; geothermal; energy storage	www.outofnowhere.com
Paddy McGhee Electrical Contractor	Evanton, Ross-shire	Electrical contractor	Services	Geothermal; solar	Not available
Pat Munro Alness Ltd	Alness, Ross-shire	Manufacture concrete and road-stone. Provide road surfacing, road haulage and waste disposal services.	Manufacturing; Services	Onshore wind; hydro; biomass	www.patmunro.co.uk

Highlands and Islands of Scotland Energy Industry Supply Chain					
Company	Location	Activity	Category	Energy Sector	Web Address
PDG Helicopters	Inverness	Charter, lifting, aerial surveys, aerial filming. Also provide helicopter engineering service to other helicopter operators.	Services	On & offshore wind; oil & gas; wave; tidal	www.pdg-helicopters.co.uk
Pentland Construction Limited	Thurso, Caithness	Building and engineering company.	Engineering and fabrication; Services	Onshore wind; nuclear decommissioning;	www.pentco.ukf.net
Pentland Power Ltd	Orkney	Development and manufacture of marine renewable devices.	R&D; Technology development; Manufacture	Tidal; wave	www.pentlandpower.com
Peter Bardell Consulting Engineers	Lerwick, Shetland	Civil engineering contractors	Services	Onshore wind; geothermal	Not available
Peter Etheridge Electrical Contractor	Brora, Sutherland	Electrical contractors	Services	Solar; geothermal; onshore wind	Not available
Peter Glanville	Tingwall, Shetland	Engineering consultancy	Services	Oil & gas	Not available
Peter Porteous Installation & Maintenance	Carrbridge, Strathspey	Electrical contractor	Services	Onshore wind; geothermal	Not available
Peterson SBS Ltd	Lerwick, Shetland	Provides integrated logistics services to the Dutch and UK sectors of the North Sea. Also operates the decommissioning facilities at Greenhead Base in Lerwick.	Services; Infrastructure; Manufacturing	Oil & gas	www.petersonsbs.com
Philip B. Scott	Kirkwall, Orkney	Agricultural engineers	Services	Biomass	Not available
Pick Everard	Inverness	Multi-disciplinary architectural, engineering and construction management services with offices throughout the UK.	Services; Engineering and fabrication	Onshore wind; solar; biomass	www.pickeverard.co.uk
Pine Electrical	Inverness	Electrical contractor	Services	Solar; geothermal	Not available
Port Services Group	Invergordon, Ross-shire	Logistics support services. Project management and specialist engineering support for inspection, repair and maintenance of offshore installations	Services	Oil & gas; offshore wind; wave; tidal	www.portservices.co.uk
Portakabin	Inverness	Providing Portakabins for the energy sector.	Services	All sectors	www.portakabin.co.uk/

Highlands and Islands of Scotland Energy Industry Supply Chain					
Company	Location	Activity	Category	Energy Sector	Web Address
Precision Aquaculture	Oban, Argyll	Manufacture and supply of wireless and subsea multi-camera remote controlled video systems with solar and wind-powered options.	Manufacturing; Services	Offshore wind; solar; wave; tidal	www.precision-aquaculture.com
Precision Machining Services	Castletown, Caithness	CNC milling and turning processes used to produce small to medium sized down-hole components for oil and gas clients and manufacture bespoke assemblies for the nuclear sector, used in plant decommissioning.	Manufacturing	Oil & gas; nuclear decommissioning	www.pmservicesltd.co.uk
Professional Dive Academy	Dunoon, Argyll	Provide a range of commercial diving training courses covering inshore and offshore diving, and technical disciplines such as underwater coded welding and IMCA diver medic certification.	Services; Learning infrastructure; Engineering and fabrication	Oil & gas; offshore wind; wave; tidal	www.professionaldivingacademy.com
Pure Energy Centre Ltd	Unst, Shetland	Developers of scalable, non-grid connected hydrogen production system for commercial, industrial and community application. Providers of pay-as-you-go R&D facility to test wind and hydrogen technologies. Consultancy and training services.	Test facility; Technology development; R&D; Learning infrastructure; Services	Hydrogen and fuel cells; onshore wind.	www.pure.shetland.co.uk
QHS Scotland Ltd	Elgin, Moray	Design and manufacture of umbilical reel units, hydraulic control systems, pressure testing and wellhead control systems. Also the provision of spares, refurbishment and hydraulic fluid flushing.	Manufacturing; Services	Oil & gas	www.qhsscotland.co.uk
Qmulus Ltd	Inverness	Provides electrical design, management and specialist connection services to the power industry and large users of electricity. System analysis and power quality investigation. Review and negotiation of tenders and contracts. Renewable energy connections.	Services	On & offshore wind; wave; tidal; hydrogen; energy storage; solar geothermal; CHP; biomass; biofuels; hydro	www.qmulus.com

Highlands and Islands of Scotland Energy Industry Supply Chain					
Company	Location	Activity	Category	Energy Sector	Web Address
Quadrat Scotland	Cairndow, Argyll	Environmental consultants conducting ecological surveys and environmental impact assessments.	Services	Onshore wind; hydro	www.quadratscotland.co.uk
Quietstorm Marketing	Nethy Bridge, Moray	Consultancy, PR, marketing communications and design services.	Services	On & offshore wind; wave; tidal; biomass; solar; geothermal; oil & gas; biofuels, hydrogen; CHP; oil & gas; hydro	www.quietstorm-marketing.co.uk
RBG Ltd	Invergordon, Ross-shire	Integrated, multi disciplinary engineering support services encompassing engineering drawing, procurement, fabrication, site installation and commissioning. Capabilities include vessel upgrades, manufacture of subsea structures and pipeline skid/manifold systems.	Engineering and fabrication	Oil & gas; wave. tidal; offshore wind	www.rbg ltd.com
Rennie Fabrication	Forres, Moray	Mild and stainless steel fabrication, welding services and mechanical maintenance.	Engineering and fabrication; Services	Oil & gas; on & offshore wind; hydro; biomass, biofuels	www.renniefabrication.co.uk
R. G. Jamieson Consulting Engineers	Tingwall, Shetland	Engineering consultancy services.	Services	On & offshore wind; wave; tidal	Not available
Richard Deane Tree Surgery	Dunoon, Argyll	Forestry maintenance services.	Services	Biomass	Not available
Richard Irvin Services Group	Inverness	Building services company providing mechanical, electrical, air conditioning and public health engineering services.	Services; Engineering and fabrication	Biomass; solar; biofuels; geothermal; oil & gas	www.richard-irvin.co.uk
Ridland Agriculture	Bixter, Shetland	Agricultural engineers	Services	Biomass	www.ridlandag.co.uk
RJ McLeod (Contractors) Ltd	Dingwall, Ross-shire	Civil engineering and building contractors handling work across roads, marine, infrastructure, energy, waste, water, rail and building disciplines.	Engineering and fabrication; Services	Hydro; onshore & offshore wind; wave; tidal; CHP; biomass; biofuels	www.rjmcLeod.co.uk
R. Macaskill (Contractors) Ltd	Ardhasaig, Isle of Harris	Civil engineering contractors.	Manufacturing; Services	Onshore wind; geothermal	Not available

Highlands and Islands of Scotland Energy Industry Supply Chain					
Company	Location	Activity	Category	Energy Sector	Web Address
R. M. Faulkner	Conon Bridge, Ross-shire	Civil engineering contractor	Services	Onshore wind; geothermal	Not available
Robert G. Stewart	Dunoon, Argyll	Electrical contractor	Services	Solar; onshore wind	Not available
Robert Orr	Aviemore, Badenoch	Electrical contractor	Services	Geothermal; onshore wind	Not available
Robertson & Peterson	Shetland	Electrical contractor	Services	Onshore wind	Not available
Rock Energy	Abriachan, Inverness	Facilitates the construction of energy efficient buildings and the installation of energy efficient heating/cooling systems.	Services	Solar; geothermal; CHP; biomass	www.rockenergy.co.uk
Roger Macdonald Electrical	Oban, Argyll	Electrical contractor	Services	Onshore wind; solar	Not available
Rok	Inverness	A diverse national contractor offering extensive civil, mechanical and electrical expertise across the renewable sector. Projects include wind farms, hydroelectric schemes, wave & tidal and the complete installation of Microgeneration schemes.	Engineering and fabrication Services	Hydro; wave; tidal; wind; solar; biomass; geothermal	www.rokgroup.com
Rosskeen Engineering Limited	Invergordon, Ross-shire	Machining, fabrication, welding and mechanical fitting services.	Engineering and fabrication; Services	Oil & gas; hydro; wave; onshore wind; biomass	www.rosskeenengineering.webeden.co.uk
Ross MacDonald	Fortrose, Ross-shire	Electrical contractor	Services	Onshore wind; hydro; biomass	Not available
Ross-Shire Engineering Ltd	Muir of Ord, Ross-shire	Mechanical & electrical engineers providing a turnkey service offering design, project management & site installation with full workshop facilities.	Engineering and fabrication; Services	Oil & gas; nuclear decommissioning; on & offshore wind; wave; tidal; hydro; CHP; biomass; biofuels	www.ross-eng.com
Ross-shire Polymer Products Limited	Evanton, Ross-shire	Manufacture recycled rubber chips. Product can be used on roads, paths and drainage amongst other uses.	Manufacturing	Onshore wind; biomass; geothermal	Not available
Rotary Spot Cultivation Company	Moray	Forestry ground preparation	Services	Biomass	Not available
R. R. Mackenzie	Invergordon	Electrical contractor	Services	Solar; biomass	Not available
R. S. Merriman	Stromness, Orkney	Electrical contractor	Services	Solar; geothermal; onshore wind	Not available

Highlands and Islands of Scotland Energy Industry Supply Chain					
Company	Location	Activity	Category	Energy Sector	Web Address
Rural Enterprise Development Skye	Dunvegan, Isle of Skye	Business and marketing strategies for social enterprise businesses.	Services	Onshore wind	www.red-skye.co.uk
Rybka Limited	Inverness	Building services, engineering, low carbon and sustainability consultancy. Offices across UK.	Services; Engineering and fabrication	Onshore wind; hydro; biomass; solar; biofuels; CHP; geothermal; hydrogen; energy storage	www.rybka.co.uk
Safety and Ecology Corporation Ltd	Bettyhill, Sutherland	Supplier of environmental engineering and consulting, health physics, contaminated land remediation services, radiological protection and waste management, and water and wastewater management. With capabilities and experience in both consultancy and implementation.	Services; Engineering and fabrication	Oil & gas; nuclear decommissioning;	www.sec-tn.com
Safety Welding & Lifting (International) Ltd	Invergordon, Ross-shire	Hire, sale, repair & test of lifting & safety equipment. Inspection and testing of cranes on and offshore. Manufacture pipehooks, chain slings and numerous other items.	Manufacturing; Services; Test facilities	Oil & gas; on & offshore wind; wave; tidal; biomass; nuclear decommissioning	www.safetyweldinglifting.co.uk
SAIS (Scotia Automated Inspection Services)	Alness, Ross-shire	NDT, Auto UT, TOFD and high level inspection of new fabrication, oil and gas in service, subsea and renewables	Services; Test facilities	Oil & gas; on & offshore wind; wave; tidal	www.sais-ltd.co.uk
Samuel Jordan	Loch Carnan, Isle of South Uist	Electrical contractor	Services	Onshore wind; solar; geothermal	Not available
Samuel & Partners	Fort William, Lochaber	Building and quantity surveyors	Services	Hydro; onshore wind	Not available
Sandy MacLeod	Helmsdale, Sutherland	Electrical contractor	Services	Onshore wind; geothermal; solar	Not available
Scoraig Wind Electric	Dundonnell, Ross-shire	Wind energy generators and advocacy of renewable energies. Build their own wind turbines.	R&D; Energy production; Manufacturing	Onshore wind; hydro	www.scoraigwind.com

Highlands and Islands of Scotland Energy Industry Supply Chain					
Company	Location	Activity	Category	Energy Sector	Web Address
Scotland Electronics (International) Ltd	Forres, Moray	Electronic system design and manufacture for military, aerospace, harsh environment and motion control systems.	Manufacturing	Oil & gas; nuclear decommissioning	www.scotlandelectronics.co.uk
Scotline Ltd	Inverness	Shipping and road distribution services, particularly of timber and wood pulp products.	Services; Ports and harbours	Biomass	www.scotline.co.uk
Scotrenewables Ltd	Stromness, Orkney	Tidal energy device developer with a device testing tank for commercial hire.	Technology development; Test facility; R&D	Tidal	www.scotrenewables.com
Scottish Agricultural College	Inverness	Advisory and consultancy service for agriculture, food, land and environment. Provide advice on growing of bio-fuel crops and use of bio-fuels on farm.	R&D; Learning infrastructure; Services	Biomass; biofuels	www.sac.ac.uk
Scottish Association for Marine Science	Oban, Argyll	Marine science research organisation	R&D; Services Learning infrastructure; Test facilities	Wave; tidal; offshore wind; oil & gas; biofuels	www.sams.ac.uk
Scottish Council for Development and Industry	Inverness	Membership network which seeks to influence Government policies to encourage sustainable economic prosperity.	Infrastructure; Services	On & offshore wind; wave; tidal; biomass; biofuels; hydrogen; hydro; nuclear decommissioning; solar; geothermal; oil & gas; CHP	www.scdi.org.uk
Scottish Hydro Contracting	Inverness	Mechanical and electrical contractors, including the design, construction, operation, maintenance and repair of energy systems.	Engineering and fabrication; Services; Infrastructure	Onshore wind; geothermal; solar; CHP; hydro	www.hydrocontracting.co.uk
Scottish Native Woods	Inverness	Promote a variety of uses for native timbers. Securing the sustainable management of native woodlands.	Services	Biomass	www.scottishnativewoods.org.uk

Highlands and Islands of Scotland Energy Industry Supply Chain					
Company	Location	Activity	Category	Energy Sector	Web Address
Scottish Woodlands Ltd	Dingwall, Fort William, Lochgilphead	Numerous operations across Scotland. Provides forestry, agriculture and land management services. The largest supplier of private sector timber in Scotland and major supplier of energy	Manufacturing; Services	Biomass; hydro; onshore wind	www.scottishwoodlands.co.uk
		wood to the power generation market.			
Scott Wilson Group Plc	Inverness	Design and engineering consultancy – part of a worldwide group. Significant range of services under the titles of buildings and infrastructure; consultancy; environment; natural resources; and transport.	Services; Engineering and fabrication	Oil & gas; nuclear decommissioning; on & offshore wind; wave; tidal; geothermal; hydro; biomass; biofuels; hydrogen	www.scottwilson.com
Scrabster Harbour Trust	Scrabster, Caithness	The most northern port on the British mainland with 24 hour availability of facilities & services including water, bunkers, craneage, stevedoring, security, secure storage, engineering and fabrication, and agency. Deep water berths are available from 90m@6m chart datum to 180m@8m chart datum.	Infrastructure; Services; Ports and harbours	Oil & gas; on & offshore wind; wave; tidal	www.scrabster.co.uk
SeaFari Marine Services	Oban, Argyll	Seafari Marine Services (Oban) offer small boat logistical solutions throughout Scotland.	Marine services	Offshore wind; wave; tidal; test facilities	www.seafarimarineservices.co.uk
SEAS Ltd	Dunbeg, Argyll	Environmental consultants. Work has been carried out on the evaluation and development of statistical methods for biological and environmental surveys.	Services; R&D	Oil & gas; wave; tidal; offshore wind	Not available
SelectLead Ltd	Elgin, Moray	Consultancy services management support; facilitation and management of change; business improvement strategy.	Services	Onshore wind; biomass; biofuels	http://selectlead.co.uk
Serimax Ltd	Evanton, Ross-shire	A full service welding company fabricating landlines & oil & gas pipelines & associated spool pieces.	Engineering and fabrication	Oil & gas	www.serimax.com
SGL Carbon Fibres	Muir of Ord, Ross-shire	Carbon fibre manufacture.	Manufacturing	On & offshore wind	www.sglgroup.com

Highlands and Islands of Scotland Energy Industry Supply Chain					
Company	Location	Activity	Category	Energy Sector	Web Address
Sgurr Energy	Scrabster, Caithness	Multi-disciplinary engineering consultancy specialising in renewable energy. Capability to deliver from site selection through to operations & maintenance consultancy.	Services; Engineering and fabrication	On & offshore wind; hydro; solar; biomass; biofuel; wave; tidal; hydrogen; CHP; geothermal	www.sgurrenergy.com
Shanks & McEwan (Northern) Ltd	Evanton, Ross-shire	Operate materials recycling facilities designed to reduce amount of waste going to landfill by recovering, recycling and reusing as much as possible. Energy from Waste facilities recovers renewable energy, heat, metals & other materials for recycling.	Services; Energy production;	Biofuels	www.shanks.co.uk
Shearwater Marine Services Ltd	Dunoon, Argyll	Diving & marine contractors with expertise in cable installation, shipping services (hull & prop cleans, blanks, etc).	Services; Engineering and fabrication	Offshore wind; wave; tidal; oil & gas	www.shearwatermarine.co.uk
Shetland Composites	Lerwick, Shetland	Design and fabrication of prototypes for wave and tidal energy devices; solar powered navigation lights; wave, air and water-flow research tanks; and eco-marathon car design.	Engineering and fabrication; Technology development; R&D; Services	Wave; tidal; solar; hydrogen fuel cells	www.shetlandcomposites.com
Shetland Electrical Services	Sound, Shetland	Electrical contractor	Services	Onshore wind; solar; geothermal	Not available
Shetland Energy Club	Lerwick, Shetland	An association of local businesses and agencies committed to the reduction of carbon dioxide. Encourages investment in energy efficient measures. Provides energy audits.	Services	On & offshore wind; hydrogen; wave; tidal; solar; geothermal; biomass	Not available
Shetland Islands Council	Lerwick, Shetland	Responsible, as Harbour Authority for the port of Sullom Voe which handles oil and gas production from the North Sea and Atlantic Frontier. The Council's Research and Development Service is actively involved in renewable energy technology development.	Services; Infrastructure; Technology development; Services	Oil & gas; biofuels; hydrogen; wave; wind; tidal; geothermal	www.shetland.gov.uk

Highlands and Islands of Scotland Energy Industry Supply Chain					
Company	Location	Activity	Category	Energy Sector	Web Address
Shetland Renewable Energy Forum	Unst, Shetland	Aims to ensure Shetland maximises the economic and community benefit of developing its renewable energy resources while minimising the impact on the environmental, social and visual amenity of the island	Services	On & offshore wind; wave; tidal; hydrogen; solar; geothermal	www.sref.co.uk
Shetland Surveys	Lerwick, Shetland	Civil engineering contractor	Services	Onshore wind	Not available
Shetland Windpower Ltd	Sandwick, Shetland	Design and installation of domestic-scale renewable energy systems.	Services	Onshore wind; solar; geothermal	www.shetlandwindpower.co.uk
Silver Birch WITree/Landwise Services	Stornoway, Isle of Lewis	Agricultural engineers. Forestry operations and management; agricultural and training services.	Services; Manufacturing; Learning infrastructure	Biomass	Not available
Skykon Campbeltown Ltd	Campbeltown Argyll	Manufacture of towers for the wind turbine industry.	Manufacturing; R&D	On & offshore wind	www.wtowers.com
Solution Management Ltd	Forres, Moray	Provides businesses and management consultancy services. Offering organisations advice in the areas of organisational development, project management, change management, supply chain management, strategy and operations.	Services; Learning infrastructure	On & offshore wind; wave; tidal; hydrogen; solar; geothermal; oil & gas; biomass; biofuels; hydro; nuclear decommissioning; CHP	www.solutionmanagement.com
Specialist Welding Services Ltd	Stornoway, Outer Hebrides	Plastics and fabrication company.	Manufacturing	Oil & gas; on & offshore wind; wave; tidal	Not available
Spectral Line Systems Ltd	Tarbert, Outer Hebrides	Design and manufacture of low phase noise high spectral purity microwave and radio frequency sources for professional markets in radar, communications, instrumentation and research	R&D; Technology development; Manufacturing; Services	On & offshore wind; wave; tidal; oil & gas	www.spectral-line-systems.co.uk
SRS (Structural Rig Surveys)	Invergordon, Ross-shire	Provides rope access services, inspection (NDT), construction & offshore surveys. Rope access training.	Services; Learning infrastructure	Oil & gas	www.structural-rig-surveys.com

Highlands and Islands of Scotland Energy Industry Supply Chain					
Company	Location	Activity	Category	Energy Sector	Web Address
Standfast Precision Engineering Ltd	Craigellachie Moray	Sub-contract precision machining using a range of materials: brass; aluminium; bronze; carbon steel; stainless steel; nickel alloys and super alloys.	Manufacturing	Oil & gas; on & offshore wind; wave; tidal; hydro	www.standfast-engineering.com
Stevenson Electrical Contractors Ltd	Dunoon, Argyll	Electrical contractor	Services	Onshore wind; geothermal; solar	Not available
Storage Solutions	Stornoway, Isle of Lewis	Secure storage container units and secure open-air storage yard.	Services	Solar; biofuels; on & offshore wind	Not available
Storie (Argyll) Ltd	Dunoon, Argyll	Civil engineering contractor focusing primarily on road construction, pipe-laying and concrete works.	Engineering and fabrication; Services	Onshore wind; geothermal; hydro	www.storieargyll.co.uk
Stornoway Fisherman's Co-operative Limited	Stornoway, Isle of Lewis	Ships chandlers providing industrial supplies, chains, shackles, wire safety equipment and electrical hydraulic hoses	Services	Offshore wind; wave; tidal; oil & gas	Not available
Stornoway Plastics	Stornoway Isle of Lewis	Design and manufacture of injection moulded products. provide existing and new customers with demo models of their products for market research purposes prior to the tooling being made and the product put into mass-production	R&D; Manufacture; Services	On & offshore wind; wave; hydro; biomass	www.stornowayplastics.com
Stornoway Port Authority	Stornoway, Isle of Lewis	Port has deep water with access for vessels up to 6.5m draft in all weather conditions; modern berthage up to 140m alongside; pilotage (non compulsory); sheltered anchorages permitting vessels of up to 18,000GT and 165m at inner anchorage; craneage; weighbridge and slipway up to 750 tons. Backup land available. Port suitable for Atlantic Margin/Frontier oil and gas support, repairs, stores and crew changing.	Infrastructure; Services; Ports and harbours	Oil & gas; on & offshore wind; wave; tidal	www.stornoway-portauthority.com
Stornoway Shipping Services Ltd	Stornoway, Isle of Lewis	Shipping agents, freight forwarding, customs clearance of ships and cargoes in and out of Lewis and Harris ports.	Services	Oil & gas; on & offshore wind; wave; tidal	Not available

Company	Location	Activity	Category	Energy Sector	Web Address
Stuart Macpherson	Inverness	Electrical contractor	Services	Solar; geothermal; onshore wind	Not available
S. W. Signs and Graphics	Buckie, Moray	Sign making and engraving company	Services	On & offshore wind; wave; tidal; solar; geothermal; hydrogen; hydro; biofuels; CHP; oil & gas; biomass	http://sw-signs.co.uk
Subsea 7	Wester, Caithness	Subsea construction company specialising in fabrication of pipeline bundles and assembly / launch of marine renewables devices.	Engineering and fabrication	Oil & gas; wave; tidal; offshore wind	www.subsea7.com
Subsea Dynamics Ltd	Dunoon, Argyll	Subsea electronics	Services; Manufacturing	Oil & gas; offshore wind; wave; tidal	www.subseadynamics.com
Sureclean Ltd	Alness, Ross-shire	Development and application of waste management and cleaning services, such as asbestos management, tank and vessel cleaning, chemical cleaning and cold cutting of materials.	Manufacturing Services	Oil & gas	www.sureclean.com
Sutherland Engineering	Thurso, Caithness	Agricultural engineers	Services	Biomass	www.sutherlandengineering.com
Sutherland's Electrical	Inverness	Electrical contractor	Services	Onshore wind; biomass; geothermal; solar; hydro	www.thesutherlandgroup.co.uk
Sutherland of Summerbank	Wick, Caithness	Civil engineering contractor.	Services; Manufacturing	Onshore wind; biomass; geothermal	Not available
Synergie Scotland	Inverness	Engineering and environmental consultancy providing design, management and procurement services.	Engineering and fabrication; Services	On & offshore wind; wave; tidal; solar	www.synergiescotland.co.uk

Highlands and Islands of Scotland Energy Industry Supply Chain					
Company	Location	Activity	Category	Energy Sector	Web Address
T3UK	Thurso, Caithness	Offers services to the nuclear, offshore energy and marine markets, both as an engineering support partner, and as a host for client activities, such as load testing, concept proving, engineering prototyping, procedure writing and operator training. Regular training courses are offered addressing management & supervisory topics, health & safety and technical subjects, including electrical testing, underwater equipment skills and mechanical inspection.	Infrastructure; R&D; Learning infrastructure; Test facility; Services; Engineering and fabrication	Oil & gas; nuclear decommissioning; on & offshore wind; wave; tidal	www.t3uk.co.uk
T and T Fire Installation	Lewiston, Inverness-shire	A specialist in solid fuel fireplace installations the only registered HETAS installation company in the Highlands. Can incorporate solar panels into heating systems and can install, maintain and repair wood-burning Rayburns.	Services	Biomass; solar	www.tandtfireinstallation.co.uk
Tarbat Electronic Solutions Limited	Keith, Moray	Electronic design and manufacturing solutions to original equipment manufacturers.	Manufacturing Services	Oil & gas; nuclear decommissioning	www.tarbat.com
Tay-CAD Ltd	Lerwick, Shetland	Computer aided design; graphics design; large format colour printing; scanning; e-publishing; GIS systems; database systems; mapping; plotting.	Services	Oil & gas; nuclear decommissioning; on & offshore wind; wave; tidal; biomass; biofuels; CHP; solar; hydro; geothermal; hydrogen	www.tay-cad.ltd.uk
Taylorson Associates	Inverness	Engineering consultancy	Services; Engineering and fabrication	Onshore wind; biomass; geothermal; hydro	Not available
Technip	Evanton, Ross-shire	Engineering, technologies & project management for the oil & gas industry. Operate Spoolbase at Evanton on the Cromarty Firth.	Engineering and fabrication; Services	Oil & gas	www.technip.com
The Applecross Estate Trust	Inverness	Forestry operations.	Manufacturing; Services	Biomass	www.applecrosstrust.org.uk

The Stornoway Trust	Stornoway, Outer Hebrides	Community land-owning trust	Infrastructure	On & offshore shore wind; oil & gas; wave; tidal	www.stornowaytrust.org.uk
The Underwater Centre	Fort William, Lochaber	Commercial diver and ROV training centre.	Learning infrastructure; Services	Offshore wind; wave; tidal; oil & gas	www.theunderwatercentre.co.uk
Thomas Clarke Associates	Forres, Moray	Engineering consultancy	Services	Onshore wind; hydro; biomass; geothermal	Not available
Thyme Consultants Ltd	Oban, Argyll	Environmental consultants	Services	On & offshore wind; wave; tidal	Not available
Tocado	Forss, Caithness	Developers of tidal device technology for river, inshore and open sea applications. A Dutch company with an operational base at Forss.	R&D; Technology development	Tidal	www.tocado.com
Torrance Partnership	Invergordon, Ross-shire	Quantity and building surveyors; energy performance certificates; qualified Construction, Design and Management co-ordinators; project management of construction process. Four offices across Highlands and Islands.	Services	Onshore wind; biomass; hydro; geothermal; biofuels; CHP;	www.torrance-partnership.co.uk
Training at Naver	Thurso, Caithness	Part of Dounreay Site Restoration Ltd this agency offers a range of training and consultancy services in areas such as radiological safety, construction and plant training, safety and project management, leadership and management, and quality.	Learning infrastructure; Services	Nuclear decommissioning	www.dounreay.com/training-at-naver
Training for Development	Stornoway, Isle of Lewis	An independent training organisation and an accredited Scottish Qualifications Authority Centre, delivering a wide variety of Scottish Vocational Qualifications and National Certificate Awards. Training delivered in any suitable location in order to meet work requirements.	Learning infrastructure; Services	On & offshore wind; wave; tidal; hydro; biomass; solar; biofuels; geothermal; CHP; hydrogen, energy storage; oil & gas	www.trainingfordevelopment.co.uk

Highlands and Islands of Scotland Energy Industry Supply Chain					
Company	Location	Activity	Category	Energy Sector	Web Address
TSL Contractors Limited	Isle of Mull, Argyll	Building and civil engineers, road haulage contractors, suppliers of processed quarry products and ready-mix concrete.	Engineering and fabrication; Services	On & offshore wind; biomass	www.tslcontractors.co.uk
Tulloch Group	Inverness	Civil engineering and construction.	Engineering and fabrication; Services	Oil & gas; on & offshore wind; wave; tidal; geothermal; CHP; biofuels; biomass; solar	www.tullochgroup.com
UBC Group Limited	Inverness	Construction and civil engineering company with a focus on renewable and sustainable construction methods. Have been actively incorporating renewables technologies and constructing renewables projects for 30 years.	Engineering & fabrication; infrastructure; ports & harbours; wind farms	Biomass; solar; geothermal; hydro; wind; tidal; wave; services; renewable energy general	www.ubcltd.co.uk
UHI Millennium Institute	Inverness HQ	A partnership of thirteen colleges, learning and research centres working together to provide university-level education and research activity. It favours distinctive courses, subject areas and research programmes – including several in the energy sector – that reflect the strengths of its colleges and research institutions, the area's industries and the region's characteristics.	Learning infrastructure; R&D; Services	Oil & gas; on & offshore wind; wave; tidal; hydrogen; solar; biomass; biofuels; geothermal;	www.uhi.ac.uk

Company	Location	Activity	Category	Energy Sector	Web Address
UHI Millennium Institute Energy Research Group	Inverness HQ	Set up in 2009 to assist the development of energy research and training throughout the UHI partnership and to help explore joint working initiatives and commercial opportunities with relevant businesses. The group's niche focus areas include tidal and wave marine energy, wind, hydrogen, low carbon built environment, marine and land-based biomass, community renewable energy, offshore and nuclear decommissioning, and other related environmental and policy fields.	Learning infrastructure; R&D; Services	Tidal; wave; on & offshore wind; biomass; nuclear decommissioning; oil & gas; biofuels; hydrogen; solar; geothermal	www.energyresearch.uhi.ac.uk
Ullapool Construction Ltd	Ullapool, Ross-shire	Building and civil engineering contractors; plant hire operators.	Manufacturing; Services	Onshore wind; geothermal; hydro; biomass	Not available
Umax Haulage & Crane Hire	Evanton, Ross-shire	Road haulage and crane hire services.	Services	Onshore wind; solar; geothermal; biomass	Not available
University of Aberdeen	Cromarty, Ross-shire	Aim to understand how natural and man-made changes in environmental conditions influence the biology of seals, dolphins and other marine wildlife.	R&D; Learning infrastructure; Services	Offshore wind; wave; tidal; oil & gas	www.abdn.ac.uk/lighthouse
Upland Ecology	Fort William, Lochaber	Range of consultancy services covering forestry and woodland management, conservation and biodiversity, integrated land management, rural development and project management of woodland operations.	Services	Biomass; biofuels	www.uplandecology.co.uk
Unst Partnership	Unst, Shetland	Aim of the partnership is the economic and social advancement of the island. As part of this the Partnership owns wind turbines and the hydrogen fuel cell technology used by Pure Ltd.	Services; R&D; Energy production; Technology development	Hydrogen; fuel cells; onshore wind	www.unst.org

Highlands and Islands of Scotland Energy Industry Supply Chain					
Company	Location	Activity	Category	Energy Sector	Web Address
UPM Tilhill	Inverness	Part of global company UPM and with operations across the UK. Forestry and timber harvesting company with sales of 2 million tonnes annually. Supplying wood fuel to bio-energy plants across the UK.	Manufacturing; Services	Biomass	www.upmtilhill.com
Varis Engineering Ltd	Forres, Moray	Fabrication in stainless steel, carbon and aluminium. Registered training provider for the national plant operators' scheme and a vocational qualification assessment centre for engineering disciplines.	Engineering and fabrication; Learning infrastructure; Test facilities	Geothermal; onshore wind	www.varis-engineering.com
Ve Marine Power	Thurso, Caithness	Technology developer, focusing on tidal energy generation.	R&D, tidal, technology development, energy production	Tidal energy	www.vemarine.com
Vertex	Nairn Inverness-shire	Consulting, IT, debt management; and business process outsourcing	Services	Oil & gas; on & offshore wind; wave; tidal; hydro; hydrogen; biofuel; geothermal; biomass; solar	www.vertexgroup.com
Viking Energy Ltd	Lerwick, Shetland	Wind farm developer	Energy production	Onshore wind	www.vikingenergy.co.uk
Voith Hydro Wavegen Limited	Inverness	Developed the Limpet, the world's first commercial scale wave energy device generating electricity for the grid. Also developed small power take-off modules for incorporating into breakwaters, land reclamation schemes, etc. Provide a wave tank testing facility.	Technology development; Test facility; Services; R&D	Wave	www.wavegen.co.uk
